

# **E-COURT SERVICES PORTAL**

By Adv. Suryakant H. Surwase

Date :- 05/11/2023

A centralised gateway providing links to several initiatives and services provided under the e-court project. It enables stakeholders' such as citizens, litigants, lawyers, government and law enforcement agencies to access data and information relating to the judicial system of the country.

The e-courts National Portal works as an online repository of data proving a host of services and diverse information such as:-

- a) Cause List
- b) Case status:- Case status may be accessed across various search parameters such as Case Number, FIR Number, Party Name, Advocate Name, Filing Number, Act or Case Type.
- c) Daily Orders And Final Judgments:- Orders and final judgments can be similarly accessed through CNR Number, Case Number, Court Number, Party Name and Order Date.

## **Objectives:-**

- To provide efficient and time bound citizens centric services delivery as detailed in e-court Project Litigants Charter.
- To develop, install and implement decision support systems in court.
- To automate the processes to provide transparency in accessibility of information to its stakeholders.
- To enhance judicial productivity both qualitatively and quantitatively, to make the justice delivery system affordable, accessible, cost effective, predictable, reliable and transparent.
